## Why Calypso?

### Crafted to Last

Every Calypso piece is built for years of quiet, confident use. Solid joinery, long-lasting finishes and soft-close details feel reassuring from the first touch—and stay that way. We use responsibly sourced timber, so the beauty you bring home is gentle on the planet too. With quality in every corner, your bathroom stays effortlessly calm day after day.

### Expert guidance and advice

Unsure where to begin? Our network of 2,000+ trusted retailers is ready to help you shape every detail—from selecting finishes to mapping out your room layout—so planning feels simple and clear at every step.

### Free sample service

We understand the importance of making the right choices for your bathroom, which is why we offer free samples to help you see every colour, texture and finish in your own light. Explore the collection and request yours at [calypsobathrooms.co.uk/samples](https://calypsobathrooms.co.uk/samples).

### Support when you need it

Your Calypso experience carries on well beyond delivery day. If a question pops up or a part needs replacing, our after-care team is only a call or email away—ready with clear advice and swift solutions to keep your bathroom at its best. Reach us on **01432 367 367** or [sales@woodstockco.com](mailto:sales@woodstockco.com).

### Reliable stock & fast delivery

With over 99% of Calypso products available in stock, your order arrives when you need it to. Our trained drivers make sure your bathroom arrives on schedule, in perfect condition, every time, so your project stays on track.

### Environmental responsibility

Luxury shouldn't leave a heavy footprint. By choosing responsibly sourced timber and low-impact production—powered in part by solar energy and electric vehicles—Calypso brings you beautiful bathrooms that feel good for you and kinder to the planet.

# Designed for harmony, Shaped for living.

The way a bathroom feels is shaped as much by material as by layout. Everyday surfaces influence how the space settles into daily routines, creating a sense of ease, familiarity, and comfort over time.

For Spring 2026, Calypso places material at the centre of bathroom design. Wood grains bring warmth and natural variation, helping spaces feel more relaxed and lived-in. Metal finishes introduce contrast and definition without overpowering the room, while stone inspired surfaces add a sense of permanence and balance.

This approach reflects a broader shift away from assembling individual elements, towards creating bathrooms that feel cohesive from the outset. Furniture, brassware, and sanitaryware are designed to sit comfortably together, reducing complexity, creating a smoother experience from idea to finished space.

The focus is not on statement pieces, but on how each element contributes to the whole. When materials are chosen thoughtfully and work in harmony, the bathroom becomes easier to live with, effortless to maintain, and more confident in its design. Spring 2026 is about spaces that feel composed, tactile, and quietly resolved.

## About Calypso

**P8 What's New**  
 Discover our latest collections, innovative features, and stylish upgrades for your bathroom.

**P14 Furniture Guide**  
 Easily compare sizes, finishes, and features across our furniture collections for perfect customisation.

**P18 How To Order**  
 Follow our simple guide to select and order fitted and vanity bathroom furniture.

## Fitted Furniture & Vanity to match

**P24 Bowland**  
 Bowland is stylish and elegant with its metallic inset profile.

**P38 Brecon**  
 Brecon is an understated classic with its simple and contemporary design.

**P70 Cheviot**  
 Cheviot emanates pure elegance with its sharp lines and smooth finish.

**P96 Chiltern**  
 A timeless shaker to complement any bathroom.

**P124 Dartmoor**  
 The traditional shaker, reimagined.

**P148 Kentmere**  
 The Kentmere collection is a modern take on the classic shaker style.

**P168 Pentland**  
 The Pentland collection features a traditional beaded shaker style.

**P188 Selter**  
 A simple J-pull collection with a modern and uniform style.

**P210 Solid Oak**  
 Classic shaker, natural warmth.

## Accessories

P268 **Basins**

Choose from a large range of basin styles to suit your bathroom's design.

P294 **Lighting**

Add lighting to enhance the ambiance of your bathroom design.

Down to the smallest detail

# *Designed to coordinate*

Bringing a bathroom together often comes down to the details. By extending the same finishes across a considered selection of taps, handles, flush plates, and fittings, Calypso makes it easier to create spaces that feel cohesive and well resolved.

**Chrome, Matt Black, Brushed Brass, Brushed Bronze, and Gunmetal** are now available across key elements of the bathroom, allowing each detail to sit comfortably alongside the next. The result is a space that feels intentional rather than assembled, with finishes that work quietly together.

These coordinated finishes are available across selected basin, tall, and wall mounted taps, furniture handles, flush plates and buttons, as well as smaller details such as overflow rings and hinge covers. Each has been chosen to support a more unified bathroom without unnecessary complexity.

Find the new **Coordinated finishes** section on **page 250**.

## Available Finishes

## Featured Images:

Gunmetal

Contour Soft Green / Contour Porcelain

# *New textured finishes for Chiltern & Chelworth*

**Chiltern** introduces two new Contour finishes that extend the collection's familiar wood grain character. **Contour Soft Green** offers a light, muted tone, while **Contour Porcelain** brings a warm, understated white. Together, they add depth to the collection while maintaining the calm, framed presence Chiltern is known for.

Chelworth is joined by a new **Contour Blue Sage** finish, a gentle, grey-green tone that sits comfortably within the collection's classic line-up, adding softness, character and balance.

Find the new **Chiltern** Contour finishes on **page 96**.

Contour Soft Green: Chiltern

Sienna Oak

# *Extending our wood grain palette*

Woodgrains continue to play an important role in how bathrooms feel grounded and lived with. Their familiarity and warmth bring balance to spaces shaped around daily routines, offering material depth without visual weight.

**Sienna Oak** is now available across the **Brecon** Fitted Furniture collection, introducing a richer woodgrain tone that adds character while maintaining a calm, composed presence.

Find the new **Brecon** finish on **page 38**.

**Featured Image:**  
Sienna Oak: Brecon

Mirrors

## *An arched form, thoughtfully illuminated*

**Vittoria** is defined by soft curves and a quietly refined presence. Its gently illuminated arched form introduces balance and warmth, helping the mirror sit comfortably within a wide range of bathroom settings.

Smooth edges are paired with a choice of gold, black, or mirrored detailing, allowing the finish to feel tailored without drawing attention away from the overall space.

Discover our latest mirror design and explore the full mirror collection on [page 220](#).

Mirrors

## *A new size for Farnese*

The **Farnese Mirrored Cabinet** is now available in an additional 600 size, offering greater flexibility when planning different bathroom layouts. Retaining its familiar proportions and balanced design, the new size allows Farnese to sit more comfortably across a wider range of furniture widths and spaces, supporting a consistent, considered look throughout the room.

Explore the complete mirror range on [page 220](#).

Introducing

## *The Breccia Light Marble worktop*

**Breccia Light Marble** introduces a soft, stone inspired surface that brings balance and quiet refinement to the bathroom. Its square-edged profile gives a clean, composed finish, allowing the material's subtle patterning to sit confidently within both contemporary and classic layouts.

Available across all standard sizes, it offers a considered foundation that works naturally alongside a wide range of furniture and finishes.

Explore our worktop collections on **page 258**.

Introducing

## *Basins designed for wall mounted taps*

A selection of Calypso basins are now designed for use with wall mounted taps, creating a cleaner, more considered layout around the basin.

These designs are available without a tap hole, allowing the basin area to feel simpler and more composed, while maintaining balanced proportions and refined finishes.

**Serrenti Ceramic** for **Vanity to Match Fitted** collections.

Explore our basin collections on **page 268**.

Vanity to Match Fitted Unit Guide

# Vanity to Match Fitted Units

Vanity to match units are versatile standalone units, designed to work beautifully on their own or as part of a coordinated bathroom design.

# Fitted Furniture Guide

Our Fitted Furniture is designed with simplicity and functionality in mind. This brief guide will walk you through the straightforward steps to assemble a run of Fitted Furniture for your bathroom.

When you order Fitted Furniture, the unit carcass is the foundation – the core pre-assembled structure. Along with the carcass, you'll need fascias, the front panels that define your furniture's external appearance, end panels covering the sides of the carcass for a seamless look, and plinths, concealing the space underneath the unit. Some collections may also offer decorative elements that can be added to enhance the overall aesthetic of your furniture.

When you order using a unit kit code, everything you need is included. The pre-assembled carcass simplifies the installation process. Fascias, end panels, and plinths are then applied, providing a refined finish to your Fitted Furniture.

Fitted Furniture Guide

## Ordering Fitted Furniture

When ordering, notice that each unit code has two asterisks (\*\*). To select your finish, replace the asterisks with the finish code found at the top right of the pricing page. This method ensures that the correct finish fascia panels are automatically included when ordering complete units.

Therefore, if you require the unit in Brecon (BR) High Gloss White (Finish code: H), you would make a purchase using the code: 4226**BRH** (4226 + **BRH**) = Brecon High Gloss White.

**Base Unit - Two Door**  
Standard

### Basin Unit - Two Door

Basin unit with two soft-close doors. Fixed upper panel. One removable shelf. Back panel is removable for access to plumbing.

		Unit Kit Parts			
		Unit Code	Price	Carcass	Doors
Standard	400w x 303d x 811h mm	4441BR**	£555	4064	5023 x2
Slim	400w x 218d x 811h mm	4241BR**	£555	4064S	5023 x2
Deep	600w x 443d x 811h mm	4643BR**	£710	4068	5035 x2

Standard  Slim  Deep

Replace \*\* in the unit code with the finish code shown above,  
**For a detailed colour finish guide, see inside front cover.**

In the example above, the WC unit from our Brecon (BR) collection has a code displayed with two asterisks.

# Corner Layouts & Bath Bulkheads

With limited storage space in modern bathrooms the use of corners is becoming ever more popular. Below illustrates some common corner layouts for you to consider when planning your bathroom furniture.

**Layout 1: Suitable for doors only.**

(Using end panels in corner)

**Layout 2: Variable.**

Suitable for drawers (Using end panels in corners).

**Layout 3: Variable.**

Suitable for 2 door units only - using an end panel in the corner.

**Layout 4: Variable.**

Using door panels for corner. Plinth runs through.

**661mm Bath Bulkhead Unit**

The bath bulkhead unit has a full floor to worktop panel (3008) matched to your chosen fascia, supplied with either a slimline or standard depth 600mm WC carcass. However, the panel will work with any width WC Carcass, and can also be used as a fitters panel. **Not available in Solid Oak & Pentland**

## Carcass Dimensions

Our Fitted Furniture is designed with simplicity and functionality in mind. This brief guide will walk you through the straightforward steps to assemble a run of Fitted Furniture for your bathroom.

**661mm Base Carcasses**

(supplied with 150mm leg pack) = 811mm Overall height

**561mm Base Carcasses**

(supplied with 250mm leg pack) = 811mm Overall height

**Wall Carcasses**

For all your Carcass Accessories, Spare Parts & Fittings, **see page 296.**

# Vanity to Match Fitted Furniture Guide

Our Vanity to Match Fitted Furniture collections are designed to stand alone or be used to complement our larger Calypso Fitted Furniture range, offering versatility in your bathroom design.

This guide will walk you through the simple steps to order and assemble your vanity unit for a stylish bathroom upgrade.

## Design your vanity in four simple steps

### 1 Choose Your Unit

Browse the Vanity to Match Fitted Furniture section of the brochure to find your perfect vanity unit. When you order using a unit kit code, all of the parts that you need for assembly are included.

### 2 Select a Finish

Each collection is showcased in one finish, with all available finishes listed at the top right of the collection pages. Each unit code in the Vanity to Match Fitted Furniture section of the brochure is followed by two asterisks (\*\*). Replace these asterisks with the finish code located at the top right of the pricing page to complete the code for your desired finish.

### 3 Add a Basin

Compatible basins are listed below each vanity and may fit slightly wider than the unit.

The sit-on basins shown are the recommended size and require a worktop. All sit-on basins are universally compatible, but ensure your chosen basin fits your unit's dimensions. Some vanity units need specific worktops, which are available on the collection pages.

### 4 Add Accessories

Vanity units are shown with taps, and if applicable, handles, which are sold separately. All additional accessories can be found in our accessories section starting on page 218. Some collections offer additional elements to enhance the overall aesthetic or functionality of your furniture and these can be found in the collection pricing pages where available.

### Basins

Once you have selected a vanity unit you can find compatible basins listed below. Sit-on basins require a worktop and can be found on **page 268**.

### Taps and Wastes

Choose a tap to match your vanity, starting on **page 282**. All basin taps come with a colour-matched slotted waste.

### Worktops

If you're using a Sit-on basin, you will need a worktop. You can find compatible worktops below each vanity unit. For universal worktop options see **page 258**.

### Vanity Units

Vanity to Match Fitted Furniture units includes a pre-assembled carcass, along with fascias, end panels, and a plinth (if required). Simply order using one code to receive everything you need for the vanity unit.

### Handles

Choose a handle to match your vanity, starting on **page 252**. Some vanity collections have an integrated handle and don't require a separate handle.

### Accessories

Some collections have unique features such as Bowland's inset metallic profiles. These additions can offer both style and functionality to your vanity. Explore collection pages for further details on accessories.

## Assembly Instructions

Each vanity unit comes complete with a carcass, panels, soft close fittings, and wall fixings. The pre-assembled carcass simplifies the installation process, saving you time and effort.

We recommend using a professional bathroom installer for vanity unit installation to ensure optimal results. Once the carcass is fixed to the wall, apply your fascias, end panels, plinth, basin and other accessories to complete the look of your vanity.

Minimalist shaker, sleek frame edges.

**Kentmere** P148  
Contemporary, heritage-inspired charm.

**Pentland** P168  
Classic oak, timeless shaker style.

**Selter** P188  
Minimalist design, integrated handles.

**Solid Oak** P210  
Classic shaker, natural warmth.

Fitted Furniture

# *Bowland collection*

Bowland features a sleek and modern slab-style fascia with a contemporary inset profile. This sophisticated design offers high gloss options with fascias and panels, enhanced by glass-effect edging for added refinement. Alternatively, choose from a range of matt finishes, complemented by matching edging, to create a seamless and stylish look.

## Furniture Features

### Contemporary Inset Profile

Clean lines and an inset profile for a modern touch.

### Premium Fittings

High-quality soft-close runners, hinges, and hardware for smooth, quiet operation.

### Glass Effect Edging

Reversible end panels with glass effect edging available on select units.

### Vanity to Match

A range of vanity options designed to match perfectly with our wider fitted collection.

## Metallic Profiles & Profile Connectors

### Metallic Profile

Supplied with brackets used to fix the profile to the carcasses.

		Code	Price
Stainless Steel Effect	1250 x 64mm	7146SST	£85
Brushed Brass Effect	1250 x 64mm	7146BBR	£85
Matt Black	1250 x 64mm	7146MBK	£85
Stainless Steel Effect	2500 x 64mm	7149SST	£130
Brushed Brass Effect	2500 x 64mm	7149BBR	£130
Matt Black	2500 x 64mm	7149MBK	£130

### Metallic Profile Connector

Internal corner connectors for use with Bowland inset profiles.

	Code	Price
Brushed Steel Effect	7141BST	£5
Brushed Brass Effect	7141BBR	£5
Matt Black	7141MBK	£5

### Metallic Profile

Choose from Stainless Steel, Brushed Brass, or Matt Black metallic profiles to complete your Bowland unit.

## Metallic Profile Guide

Profiles are available in 1250mm and 2500mm lengths. The profile should be cut to match the overall length of the carcass run between the end and/or infill panels. Corner connectors are available to accommodate 90° angles in the furniture.

Profiles are available in lengths of 1250mm or 2500mm

The profile should be secured to the carcass with supplied brackets which slot into the rear of the profile

# Bowland Fitted Furniture Pricing

Shown in Blueberry, the Bowland collection features pre-assembled 18mm units with gloss or matt fascia panels and a metallic inset profile. Each includes soft-close hinges, smooth runners, and wall fixings for lasting durability.

Three metallic edges, one long edge matched to fascia: Frost White, Frost Grey, Champagne, Sea Breeze, Metallic Slate.

Gloss finishes: One glass-effect edge and one matched edge for flexible styling.

Fitted Furniture

# Brecon collection

Brecon's clean and modern appearance is defined by signature, soft-edge, slab-style fascias. Presented across an incredible variety of glossy, wood grain, metallic or matt styles, the collection offers something for every bathroom. Brecon's simple and contemporary design is an understated classic, complete with soft-close hinges, runners and fixings.

## Furniture Features

### Modern Slab Design

A sleek flat-front style with clean soft lines for a contemporary look.

### Extensive Range

Featuring our largest range of finishes, this style has something for everyone.

### Premium Fittings

High-quality soft-close runners, hinges, and hardware for smooth, quiet operation.

### Vanity to Match

Vanity to perfectly match with the wider Fitted Furniture collection.

○

Extensive finish collection  
Something for every bathroom

○

Modern design  
Slab-style door

## Marine Blue

A practical, family friendly layout that brings order and continuity across the space.

**Room includes:** ART 644 Shoulder Basin, Aquila Chrome Tap, Denver BTW Pan with Casula Seat, Polar Quartz Matt Postformed 22mm Worktop, Altos Chrome Handles and Plain Calypso 700 Mirror.

## Soft White

A generous, symmetrical setup that supports shared routines with clarity and ease.

**Room includes:** Indiana White Ceramic Sit-On Basin, Busca Wall Mounted Brushed Brass Tap, Barroso Fluted Brushed Brass T-Pull Handles and Ostuni 1200 Mirror.

Light English Oak

### Deep Base Unit - Two Door

Base unit with two soft-close doors. One removable shelf. Unit can be lowered for use with a sit on bowl, remove 100mm leg extension piece from kit supplied to reduce the unit height to 711mm.

		Unit Code	Price	Carcass	Doors
Deep	600w x 443d x 811h mm	1643BR**	£730	1068	2035 x2

## Reasons to Choose a 561mm Unit

### Hidden Pipes Access

561mm carcasses paired with 250mm legs and plinth hide large soil pipes effectively. The removable plinth design provides easy maintenance access, keeping unsightly elements out of view.

### Wall-Hung Solution

Install 561mm carcass basin and base units without a plinth or legs for a streamlined, wall-hung appearance. Perfect for small spaces, this setup maximises storage while keeping the floor clear.

Concept for concealing soil and waste pipes within fitted furniture or walls.

### Accessible Furniture

Use 561mm carcass units with a 150mm plinth for a lower-height furniture run. Ideal for those needing improved accessibility, this design combines functionality with a stylish finish.

### Stepped Basin Design

Use 561mm carcass with 150mm legs to create a stunning fitted furniture runs featuring a stepped-down basin unit. This stylish design enhances your bathroom space's functionality and visual appeal.

Concept for creating deep sit-on basin units integrated with standard-height fitted furniture.

# Brecon Fitted Furniture Pricing

The Brecon collection, shown in Light English Oak offers 18mm vinyl-wrapped MDF doors and fascia panels with durable, ready-assembled MFC carcasses. Pre-drilled for easy fittings, it includes soft-close hinges, adjustable drawer runners, and a wall-fixing kit for secure installation.

Replace \*\* in the colour code with the finish code shown above.

Decorative end panels are used to cover visible furniture ends and can also function as fitter or infill panels, trimmed to size as needed. Plinth panels cover the gap between furniture and floor, attaching to cabinet legs with clips. Both types have finished edges on all sides, but any cut edges must be sealed with waterproof sealant to preserve the warranty. When placing a plinth next to a unit with a floor-reaching front panel, allow an extra 50-100mm in plinth length to ensure proper overlap and gap coverage.

Fitted Furniture

# *Cheviot collection*

Cheviot emanates pure elegance with its sharp lines and smooth finish. This sophisticated design offers a range of matt finishes accompanied by matching end panels, or gloss options with reversible end panels featuring glass-effect edging for an extra touch of refinement. The smart slab-style fascia of Cheviot Furniture brings a sleek and elegant feel to your bathroom space. Complete with soft-close hinges, runners, and fixings.

## Furniture Features

### Modern Slab Design

A sleek flat-front style with clean sharp lines for a contemporary look.

### Premium Fittings

High-quality soft-close runners, hinges, and hardware for smooth, quiet operation.

### Glass Effect Edging

Reversible end panels with glass effect edging available on all gloss finishes.

### Vanity to Match

Vanity to perfectly match with the wider Fitted Furniture collection.

Deep	600w x 443d x 811h mm	1643CT**	£730	1068	2035 x2

## Reasons to Choose a 561mm Unit

### Hidden Pipes Access

561mm carcasses paired with 250mm legs and plinth hide large soil pipes effectively. The removable plinth design provides easy maintenance access, keeping unsightly elements out of view.

### Wall-Hung Solution

Install 561mm carcass basin and base units without a plinth or legs for a streamlined, wall-hung appearance. Perfect for small spaces, this setup maximises storage while keeping the floor clear.

### Accessible Furniture

Use 561mm carcass units with a 150mm plinth for a lower-height furniture run. Ideal for those needing improved accessibility, this design combines functionality with a stylish finish.

### Stepped Basin Design

Use 561mm carcass with 150mm legs to create a stunning fitted furniture runs featuring a stepped-down basin unit. This stylish design enhances your bathroom space's functionality and visual appeal.

Concept for concealing soil and waste pipes within fitted furniture or walls.

Concept for creating deep sit-on basin units integrated with standard-height fitted furniture.

# Cheviot Fitted Furniture Pricing

Shown in Sea Breeze, the Cheviot collection features a pre-assembled 18mm carcass with furniture-grade fascia panels available in either gloss finishes with glass-effect edging, or matt finishes with matched edging. Designed for long-lasting durability, units include premium adjustable soft-close hinges, smooth drawer runners and wall fixing brackets.

Replace \*\* in the colour code with the finish code shown above.

Four fully matched edges: Hunter Green, Blueberry, Weathered Oak.

Three metallic edges, one long edge matched to fascia: Frost White, Frost Grey, Champagne, Sea Breeze, Metallic Slate.

Decorative end panels are used to cover visible furniture ends and can also function as filler or infill panels, trimmed to size as needed. Plinth panels cover the gap between furniture and floor, attaching to cabinet legs with clips. Both types have finished edges on all sides, but any cut edges must be sealed with waterproof sealant to preserve the warranty. When placing a plinth next to a unit with a floor-reaching front panel, allow an extra 50-100mm in plinth length to ensure proper overlap and gap coverage.

Fitted Furniture

# Chiltern collection

Chiltern's framed-effect inset panels and pencil-line grooves embody timeless elegance. The classic shaker door style exudes sophistication and versatility with a durable, vinyl finish available in soft-touch matt or painted wood effect. Chiltern offers a range of options to suit your taste. Complete with soft-close hinges, runners, and fixings.

## Furniture Features

### Timeless Shaker Design

A classic shaker door style that embodies traditional craftsmanship and timeless elegance.

### A Variety of Finishes

Available in a selection of smooth matt finishes, or classical contour finishes that emulate wood grain.

### Premium Fittings

High-quality soft-close runners, hinges, and hardware for smooth, quiet operation.

### Vanity to Match

Vanity to perfectly match with the wider Fitted Furniture collection.

Eleven finishes

Make it your own

## Reasons to Choose a 561mm Unit

### Hidden Pipes Access

561mm carcasses paired with 250mm legs and plinth hide large soil pipes effectively. The removable plinth design provides easy maintenance access, keeping unsightly elements out of view.

### Wall-Hung Solution

Install 561mm carcass basin and base units without a plinth or legs for a streamlined, wall-hung appearance. Perfect for small spaces, this setup maximises storage while keeping the floor clear.

Concept for concealing soil and waste pipes within fitted furniture or walls.

### Accessible Furniture

Use 561mm carcass units with a 150mm plinth for a lower-height furniture run. Ideal for those needing improved accessibility, this design combines functionality with a stylish finish.

### Stepped Basin Design

Use 561mm carcass with 150mm legs to create a stunning fitted furniture runs featuring a stepped-down basin unit. This stylish design enhances your bathroom space's functionality and visual appeal.

Concept for creating deep sit-on basin units integrated with standard-height fitted furniture.

# Chiltern Fitted Furniture Pricing

Shown in Hunter Green, the Chiltern collection features a pre-assembled 18mm carcass with vinyl wrapped, furniture-grade fascia panels. Designed for long-lasting durability, units include premium adjustable soft-close hinges, smooth drawer runners and wall fixing brackets.

Decorative end panels are used to cover visible furniture ends and can also function as filler or infill panels, trimmed to size as needed. Plinth panels cover the gap between furniture and floor, attaching to cabinet legs with clips.

Both types have finished edges on all sides, but any cut edges must be sealed with waterproof sealant to preserve the warranty.

When placing a plinth next to a unit with a floor-reaching front panel, allow an extra 50-100mm in plinth length to ensure proper overlap and gap coverage.

Fitted Furniture

# *Dartmoor collection*

The Dartmoor collection offers a contemporary take on the classic shaker for a pared-back and timeless look. Featuring a sleek 9mm slim frame edge, its elegant, chamfered ledge and minimalist design represent the traditional shaker-style, reimagined. Dartmoor is available across our full range of Fitted Furniture and vanity cabinets in a variety of high-quality soft-touch matt finishes.

## Furniture Features

Deep	600w x 443d x 811h mm	1643DA**	£730	1068	2035 x2

## Reasons to Choose a 561mm Unit

### Hidden Pipes Access

561mm carcasses paired with 250mm legs and plinth hide large soil pipes effectively. The removable plinth design provides easy maintenance access, keeping unsightly elements out of view.

### Wall-Hung Solution

Install 561mm carcass basin and base units without a plinth or legs for a streamlined, wall-hung appearance. Perfect for small spaces, this setup maximises storage while keeping the floor clear.

### Accessible Furniture

Use 561mm carcass units with a 150mm plinth for a lower-height furniture run. Ideal for those needing improved accessibility, this design combines functionality with a stylish finish.

### Stepped Basin Design

Use 561mm carcass with 150mm legs to create a stunning fitted furniture runs featuring a stepped-down basin unit. This stylish design enhances your bathroom space's functionality and visual appeal.

Concept for concealing soil and waste pipes within fitted furniture or walls.

Concept for creating deep sit-on basin units integrated with standard-height fitted furniture.

# Dartmoor Fitted Furniture Pricing

The Dartmoor collection, in Cashmere Cream, features 18mm vinyl-wrapped MDF shaker doors and durable MFC carcasses. Equipped with soft-close hinges and runners, adjustable drawer runners, and a wall-fixing kit, it's a versatile and practical choice.

Replace \*\* in the colour code with the finish code shown above.

Decorative end panels are used to cover visible furniture ends and can also function as fitter or infill panels, trimmed to size as needed. Plinth panels cover the gap between furniture and floor, attaching to cabinet legs with clips.

Both types have finished edges on all sides, but any cut edges must be sealed with waterproof sealant to preserve the warranty. When placing a plinth next to a unit with a floor-reaching front panel, allow an extra 50–100mm in plinth length to ensure proper overlap and gap coverage.

Fitted Furniture

# *Kentmere collection*

The Kentmere collection is a modern take on a classic style combining a contemporary integrated handle design with traditional aesthetics. Kentmere is meticulously finished in a range of painted matt colours and lacquered for protection and heritage feel. Complete with soft-close hinges, runners, and fixings.

## Reasons to Choose a 561mm Unit

### Hidden Pipes Access

561mm carcasses paired with 250mm legs and plinth hide large soil pipes effectively. The removable plinth design provides easy maintenance access, keeping unsightly elements out of view.

### Wall-Hung Solution

Install 561mm carcass basin and base units without a plinth for a streamlined, wall-hung appearance. Perfect for small spaces, this setup maximises storage while keeping the floor clear.

### Accessible Furniture

Use 561mm carcass units with a 150mm plinth for a lower-height furniture run. Ideal for those needing improved accessibility, this design combines functionality with a stylish finish.

### Stepped Basin Design

Use 561mm carcass with 150mm legs to create a stunning fitted furniture runs featuring a stepped-down basin unit. This stylish design enhances your bathroom space's functionality and visual appeal.

Concept for concealing soil and waste pipes within fitted furniture or walls.

Concept for creating deep sit-on basin units integrated with standard-height fitted furniture.

# Kentmere Fitted Furniture Pricing

Shown in Shale, the Kentmere collection features a pre-assembled 18mm carcass with painted, furniture-grade fascia panels. Designed for long-lasting durability, units include premium adjustable soft-close hinges, smooth drawer runners and wall fixing brackets.

Price	£60	£64	£70	£95	£115	£165

Decorative end panels are used to cover visible furniture ends and can also function as filler or infill panels, trimmed to size as needed. Plinth panels cover the gap between furniture and floor, attaching to cabinet legs with clips.

Both types have finished edges on all sides, but any cut edges must be sealed with waterproof sealant to preserve the warranty. When placing a plinth next to a unit with a floor-reaching front panel, allow an extra 50-100mm in plinth length to ensure proper overlap and gap coverage.

Fitted Furniture

# *Pentland collection*

The Pentland collection embodies a timeless, classic style. Featuring elegantly painted and lacquered finishes, each piece exudes sophistication, complemented by Natural Oak finish carcasses. With its signature shaker-style doors, the collection offers a range of period-inspired vanities, complete with curved cabinets or flat tongue-and-groove end panels.

## Reasons to Choose a 561mm Unit

### Hidden Pipes Access

561mm carcasses paired with 250mm legs and plinth hide large soil pipes effectively. The removable plinth design provides easy maintenance access, keeping unsightly elements out of view.

### Wall-Hung Solution

Install 561mm carcass basin and base units without a plinth for a streamlined, wall-hung appearance. Perfect for small spaces, this setup maximises storage while keeping the floor clear.

### Accessible Furniture

Use 561mm carcass units with a 150mm plinth for a lower-height furniture run. Ideal for those needing improved accessibility, this design combines functionality with a stylish finish.

### Stepped Basin Design

Use 561mm carcass with 150mm legs to create a stunning fitted furniture runs featuring a stepped-down basin unit. This stylish design enhances your bathroom space's functionality and visual appeal.

Concept for concealing soil and waste pipes within fitted furniture or walls.

Concept for creating deep sit-on basin units integrated with standard-height fitted furniture.

# Pentland Fitted Furniture Pricing

Shown in Maritime Blue, the Pentland collection features a pre-assembled 18mm carcass with painted, furniture-grade fascia panels. Designed for long-lasting durability, units include premium adjustable soft-close hinges, smooth drawer runners and wall fixing brackets.

Replace \*\* in the colour code with the finish code shown above.

Decorative end panels are used to cover visible furniture ends and can also function as filler or infill panels, trimmed to size as needed. Plinth panels cover the gap between furniture and floor, attaching to cabinet legs with clips. Both types have finished edges on all sides, but any cut edges must be sealed with waterproof sealant to preserve the warranty. When placing a plinth next to a unit with a floor-reaching front panel, allow an extra 50–100mm in plinth length to ensure proper overlap and gap coverage.

### Pelmet, Plinth & Cornice Dimensions

Our fitted furniture is crafted with simplicity and functionality in mind, making it easy to assemble and perfect for your bathroom.

For a polished look, consider incorporating a cornice trim. Ideal for concealing lights under wall units, it can also serve as a modern or traditional cornice, adding a refined finish to the top of Pentland wall units.

Replace \*\* in the colour code with the finish code shown above.

Decorative end panels are used to cover visible furniture ends and can also function as filler or infill panels, trimmed to size as needed. Plinth panels cover the gap between furniture and floor, attaching to cabinet legs with clips. Both types have finished edges on all sides, but any cut edges must be sealed with waterproof sealant to preserve the warranty. When placing a plinth next to a unit with a floor-reaching front panel, allow an extra 50–100mm in plinth length to ensure proper overlap and gap coverage.

Fitted Furniture

# *Solid Oak collection*

Natural warmth and detailed craftsmanship. Experience the beauty of a natural material, the warmth, tactile feel, soothing aroma, and the overall sense of well-being derived from interacting with something provided by nature itself. Solid oak, celebrated for its durability is employed in crafting high-quality furniture that stands the test of time.

## Bathroom Essentials

# Mirrors

Designed to make your bathroom experience more enjoyable, and with a diverse range of styles and sizes, there's a perfect match for every bathroom.

Whether you're preparing for a productive day or unwinding with a relaxing evening bath, our LED mirrors guarantee lighting to suit any mood. Take advantage of superior control with infrared or touch-sensitive buttons. For a crystal-clear reflection, choose a mirror with our innovative and energy-efficient heated demister pad, ensuring a fog-free surface even in the most humid bathroom environments.

Rest assured that all our LED mirrors are bathroom-friendly, featuring a splashproof IP44 rating and our 5-year guarantee.

**LED lighting**

Illuminate your bathroom with a long-life LED mirror. Bright and energy-efficient lighting ensures a well-lit bathroom for your daily routine.

**Ambient Lighting Control**

Set the perfect mood with ambient lighting control. Choose cool lighting for a more energizing and invigorating feel or warm lighting when it's time to wind down and relax.

**Two Pin Shaver Socket**

A concealed two-pin shaver socket offers the convenience of a dedicated power source, ensuring a sleek and organized grooming experience.

**Touch Control**

Touch control mirrors make operation a breeze with a convenient easy-to-clean surface and modern aesthetics.

**Fog Free Reflection**

Say goodbye to foggy mirrors with our energy-efficient heated demister pad, ensuring a crystal-clear surface even in the steamiest bathroom environments.

**USB Socket**

Charge devices effortlessly and maximize efficiency with two USB sockets.

**Adjustable Brightness**

Adjustable brightness offers versatility, precision, and the ability to create optimal lighting conditions, making your grooming experience more enjoyable.

**Infrared Sensor**

Keep things hygienic with an infrared switch for hands-free control.

**Bathroom Safe**

Use your mirror worry-free. Our LED mirrors come with an IP44 rating, protecting against splashing water and ensuring a safe bathroom environment.

# The Mirror Collection

Each mirror in the collection is thoughtfully designed to strike a balance between form and function. From refined silhouettes to gently sculpted profiles, every piece brings a sense of quiet elegance and timeless appeal, crafted to complement a wide range of bathroom styles with ease and intention.

Whether you want to illuminate your bathroom with a long-life LED mirror, bright and energy-efficient or set the perfect mood with ambient lighting control. Choose how you want your bathroom to feel when it's time to wind down and relax.

## Bathroom Essentials

# Worktops

Choosing the perfect worktop to complement your bathroom furniture is a crucial step in your design process. To assist with this, we stock worktops in various types, lengths, and depths to suit the diverse sizes of furniture we offer.

## Worktops for Fitted Furniture

Our range of worktops is available in three depths to match our Fitted Furniture: Slim depth (230mm), Standard depth (315mm), and Deep (460mm). These worktops come in various lengths, which can be cut to the specific layout of your bathroom furniture. Where relevant, matching edging strips are available for re-edging and sealing any exposed cut ends.

## Worktops for Vanity Units

Most of our vanity unit ranges come in standard widths of approximately 600mm, 800mm, and 1200mm. We stock a range of standardised vanity worktops to suit these sizes, providing a small overhang as a safety margin. Worktops for non-standard sized or uniquely shaped vanity units will be listed on the pages where those vanity units are displayed.

# Square-Edged Laminate Worktops

A solid particle board core, bonded with high-pressure laminate (HPL), creates a durable worktop. These worktops are supplied with a 20mm square front edge and comprehensive sealing on all surfaces and edges. For custom lengths and exposed cut ends, matching edging strips are also available.

# Calypstone Aura Worktops 12mm or 18mm

Available in options of 12mm and 18mm thickness, Calypstone Aura Solid Surface Worktop are made from a mixed compound of natural minerals and acrylic resins. This material is the same all the way through, is completely non-porous and the smooth surface is resistant to most domestic chemicals. It can be cut and shaped using standard woodworking tools, and the cut edge sanded and polished to a perfect finish by hand.

**Easy Clean:** The inherent properties of Calypstone Aura make it very easy to clean and maintain. It is resistant to most household chemicals and disinfectants and is best cleaned simply with warm soapy water and then dried and buffed with a soft microfibre cloth. Full care instructions are supplied with each worktop.

**Durable:** You can look forward to many years of service from Calypstone Aura worktops. The material does not degenerate naturally nor fade, and if well cared for, will continue to look as good as the day it was installed.

**Hygienic:** The Calypstone Aura material contains an antibacterial agent that combats bacteria and prevents its growth. This makes it perfectly suited to bathroom surfaces, and means it can also be used in healthcare and food preparation areas.

A solid particle board core, bonded with high-pressure laminate (HPL), creates a durable worktop. These worktops are supplied in 22mm Postformed (rounded) front edge designs with comprehensive sealing on all surfaces and edges. For custom lengths and exposed cut ends, matching edging strips are also provided.

## Cast Marble Worktops

The core ingredient of our cast marble worktop is Dolomite Marble which is formed through volcanic action. The result is an extremely durable and easy to maintain product.

<b>600 Vanity</b> 610 x 465 x 15mm	<b>800 Vanity</b> 810 x 465 x 15mm	<b>1000 Vanity</b> 1010 x 465 x 15mm	<b>1200 Vanity</b> 1210 x 465 x 15mm

Bathroom Essentials

# *Ceramic Basin & WC Families*

Our Basin and WC Families are designed specifically for Fitted Furniture, providing cohesive and stylish solutions for your bathroom. Featuring semi-recessed basins and matching WCs that integrate with all of our fitted units, our collections complement both classic and contemporary interiors, making it easier than ever to achieve a beautifully coordinated look.

# Basin and WC Families

## Aurora Collection

NEW

Aurora combines style and practicality, making it ideal for modern bathrooms. The Aurora ceramic basin features a rounded square design with a single tap hole and a built-in overflow. Available in a 500mm size, it is designed to suit a minimum 600mm basin unit. Completing the collection is the Aurora rimless WC, available in both back-to-wall and wall hung options, with a choice of WC seats to suit your preference.

**Aurora - Semi Recessed Basin**

500w x 420d x 35h mm 37.9357 £230

**Aurora - Back-to-wall Rimless WC**

360w x 547d x 420h mm 36.9328.02 £480

**Aurora - Wall Hung Rimless WC**

360w x 540d x 365h mm 36.9329.01 £470

## Daytona Collection

The Daytona Collection combines light, refined lines with a sense of quiet confidence, with a perfect balance of discretion and design. The Daytona ceramic basin features a soft, pill shape that brings subtle elegance to any bathroom, measuring 560mm wide and suitable for a minimum 600mm basin unit. The collection is complemented by a choice of a back-to-wall or wall-hung pan, both paired with the soft-close Bordan seat, allowing for flexible installation without compromising on style or comfort.

**Daytona - Semi Recessed Basin**

560w x 430d x 150h mm 37.9321 £265

**Daytona - Back-to-wall Rimless WC**

## Riverdale Collection

The Riverdale Collection embodies contemporary design with bold, minimalistic lines, perfect for modern bathroom spaces. The Riverdale ceramic basin features a smooth, rounded shape that adds softness to its striking design and is available in two sizes: a 600mm standard basin and a 500mm slimline option, making it suitable for a range of bathroom layouts. Complementing the basin is the Riverdale back-to-wall or wall hung pan, paired with the soft-close Collierina seat, offering comfort and durability with a refined finish. The Riverdale Collection is ideal for those seeking a bold yet understated bathroom aesthetic.

## Bathroom Essentials

# Basins

Whether you're looking for a sleek modern basin or a more traditional style, our selection caters to every aesthetic with Ceramic, Cast Marble and Solid Surface options to suit your desired look. Explore our range of sit-in, sit-on, block, inline, semi recessed and one-piece wing basins.

**Cast Marble**

CM

Our Cast Marble basins are crafted from Dolomite Marble, a substance born from volcanic processes. Through milling, purification, and blending with polymer resin, they take shape before a protective layer of resin and quartz gel coating is applied, preserving both pigment and achieving a flawlessly smooth, durable and easy to maintain finish.

**Ceramic Basins**

CE

Ceramic basins are meticulously crafted from molten fireclay, shaped into moulds, and expertly glazed before undergoing the final firing process. Their enduring quality makes them suitable for both contemporary and traditional bathroom settings. Ceramic is easy to maintain, as stains can be effortlessly removed, ensuring a pristine appearance.

**Solid surface**

SS

Solid surface basins are made from a composite material that mimics natural stone, providing a strong, smooth, and practical choice for bathrooms. Their easy-to-maintain and durable nature makes them ideal for daily use. Solid Surface wing basins can be cut and shaped using standard woodworking tools, making them an excellent option for curved units.

**Inari Inline Cast Wing Basin**

White - Cast Marble

# Semi Recessed Basins

Semi recessed basins are designed to be partially rebated into the worktop over a basin unit and projecting forwards slightly to offer an ergonomic design. All models include a cutting template, for a perfect fit when scribing the upper fascia panel to the basin.

Chrome	7023	£31
White	7023WH	£41
Matt Black	7023BL	£41

# How to Order Guide: Overflow Rings

When it comes to basins, getting the details right can make all the difference, especially when you're matching them with brassware and handles. That's where understanding overflow rings becomes essential. These rings not only ensure your basin works properly but also play a role in enhancing its overall look and feel. Use the table below to find the right overflow for your basin and then choose the colour that best matches your bathroom:

## Basins with no overflow:

These basins do not have an overflow. Therefore, there's no need for an overflow ring. We recommend using a free-flowing unslotted waste with these basins.

## Basins with built-in overflow:

Some basins come with an overflow that is glazed or designed as an integral part of the basin. In such cases, an overflow ring does not apply.

## Basins with a standard overflow:

These basins come with a chrome overflow ring as standard. However, the overflow ring is interchangeable, meaning you can change it to match your bathroom.

## Bathroom Essentials

# Taps

Calypso taps are meticulously crafted for precision and engineered for long-lasting durability. Our range includes basin-mounted, wall-mounted, and tall basin taps for use with sit-on bowls. All Calypso taps feature quarter-turn ceramic disc valve technology, allowing for ultra-smooth control of water flow and temperature, ensuring the tap's longevity. Each tap is coated with a robust anti-scratch finish, guaranteeing a lasting pristine appearance. Additionally, all of our taps come with a clicker waste that is colour-matched to the tap's finish.

**Modern Taps**

Fits seamlessly into contemporary spaces, offering both visual appeal and ease of use.

**Traditional Taps**

A blend of ornate craftsmanship and timeless beauty, making them a perfect fit for a classic bathrooms.

# Waste Types

Our wastes come in two types: slotted and unslotted. If your basin has an overflow, you will need a slotted waste. If your basin does not have an overflow, such as a sit-on basin, you will need an unslotted waste.

### Clicker Waste - Un-Slotted Flush Cap

Chrome	7087CHR	£23

## Bathroom Essentials

# WCS

Our WCs feature high-quality ceramic construction, ensuring reliability and longevity. The top-fix seat design facilitates simple installation and lifts off for easy cleaning. All Calypso WCs come with a silent soft-close seat which provides added convenience and comfort.

**Back To Wall**

Back to Wall pans are designed to be used with cisterns that can be concealed within a cabinet or behind a wall. They can be matched with your chosen furniture to create a cohesive and sleek aesthetic.

**Close Coupled**

Close coupled WCs are a popular choice for modern bathrooms due to their simple design and streamlined appearance. This type of WC features a cistern that is directly attached to the back of the bowl, making maintenance straightforward.

**Wall Hung**

Wall hung WCs can be attached to a frame within a cabinet or behind a wall. This makes cleaning easier and lends a sense of openness to the bathroom.

Daytona Wall Hung  
Rimless Pan with Borden Seat.

# Back To Wall WC Sets

All Calypso WC's include a high quality seat with lift-off functionality, soft-close operation, and secure top-fix fittings as standard.

## Charlotte

Charlotte Wall Hung Pan with Temora Seat. Supplied with Chrome hinges, see more Type 1 hinges on [page 293](#). **36.9116.01** £670

## WHAT IS A RIMLESS PAN?

Traditional toilets distribute the flush water through a series of holes around the underside of the rim of the pan. However, the 'Rimless' pan does away with this under-rim, meaning the water can flow faster and with no hindrance to create an enhanced flush.

The rimless toilet looks no different on the outside.

The main difference is that the pan boasts a smooth bowl with reduced areas for bacteria or lime-scale to build up and settle, which makes a significant difference for cleaning and improved hygiene compared to traditional pans.

### Highest standards of Hygiene

No hidden spaces for germs to harbour.  
Allows for easy cleaning.

### Perfect cleaning

Unique flush system means the water flows both vertical and around the rim covering the entire surface.

### Quieter & Faster

Rimless technology allows for a more silent and faster flush than standard WC pans.

# WC Cisterns

## Calypso Concealed Cistern

Cable flush cistern with Chrome push button, designed for front or top access. Dual flush system with 6-liter or 4-liter flush, bottom inlet and insulated jacket for noise reduction. WRAS approved. Suitable for 500, 600 and 700 standard and slimline WC carcasses.

Size: 460w x 127d x 340h mm

<b>A</b> - Chrome - Push Button	40w mm	<b>3105</b>	£165
---------------------------------	--------	-------------	------

### Compatible push buttons:

<b>B</b> - Matt Black - Push Button	48mm	<b>7222</b>	£52
<b>C</b> - Brushed Gold - Push Button	48mm	<b>7223</b>	£52

## Calypso Comfort Height Cistern

Cable flush cistern with Chrome push button, designed for top access only. Dual flush system with 6-liter or 4-liter flush, bottom inlet and insulated jacket for noise reduction. WRAS approved. Suitable for use with comfort height back to wall pans in 500mm, 600mm and 700mm Standard WC Units. Not suitable for Calypso Slim WC Units.

Size: 385w x 160d x 272h mm

<b>A</b> - Chrome - Push Button	48mm	<b>3228</b>	£165
---------------------------------	------	-------------	------

### Compatible push buttons:

# LED Lighting Strips

**LED Strip Lighting Kit (IP67)**

6w/M. 325lm/M. 3500K LED. LED Driver IP20. Integrated LEDs 5mm wide. Cool Light. Supplied with 12v LED Driver.

0.5 Metre	3927	£75
1 Metre	3928	£90
2 Metre	3929	£120

## What is an LED Lighting Strip?

Using an LED lighting strip in your bathroom can enhance both functionality and ambiance. You can install LED strips under cabinets to illuminate the countertop, around the back of mirrors for even lighting, or along the ceiling edges to highlight architectural features.

Supplied in three popular length kits, these lighting strips can be cut to fit any size of unit. The special 3M self-adhesive backing tape allows you to stick them to almost any surface with ease.

# Zoned Lighting

Water and electricity are a dangerous combination so when choosing bathroom lights it is essential that you familiarise yourself with two terms; Bathroom Zones and IP Ratings. When purchasing bathroom lights you need to ensure that the fitting you choose has the relevant IP rating for the zone in which it is to be placed. So what are IP Ratings and Bathroom Zones?

IP RATING 1ST DIGIT			IP RATING 2ND DIGIT		
OBJECT SIZE	PROTECTED AGAINST		PROTECTED AGAINST	TESTED FOR	
0	-	NO PROTECTION.	0	-	NO PROTECTION
1	>50 MM	PROTECTION AGAINST ANY LARGE SURFACE AREA OF THE BODY BUT NOT DELIBERATE TAMPERING OR FORCE.	1	DRIPPING WATER	DRIPPING WATER - NO DAMAGING EFFECT WHEN TESTED AGAINST VERTICAL FALLING WATER DROPS.
2	>12.5 MM	FINGERS OR SIMILAR SIZED TOOLS AND OBJECTS.	2	DRIPPING WATER WHEN TILTED UP TO 15°	VERTICALLY DRIPPING WATER HAS NO DAMAGING EFFECT WHEN THE LIGHT ENCLOSURE IS TILTED AT AN ANGLE UP TO 15° FROM ITS USUAL POSITION.
3	>2.5 MM	THICK WIRES, TOOLS AND SIMILAR-SIZED FOREIGN BODIES.	3	SPRAYING WATER	WATER FALLING AS A SPRAY AT ANY ANGLE UP TO 60° HAS NO DAMAGING EFFECT.
4	>1MM	MOST WIRES, SCREWS, ETC.	4	SPLASHING WATER	WATER SPLASHING AGAINST LIGHT ENCLOSURE FROM ANY DIRECTION HAS NO DAMAGING EFFECT.
5	DUST PROTECTED	Protected against dust, allowing limited ingress. (no harmful deposit)	5	WATER JETS	WATER PROJECTED BY A NOZZLE (6.3MM) AGAINST LIGHT ENCLOSURE FROM ANY DIRECTION SHALL HAVE NO DAMAGING EFFECT.
6	DUST TIGHT	Dust tight. No ingress of dust.	6	POWERFUL WATER JETS	WATER PROJECTED IN POWERFUL JETS (12.5MM NOZZLE) AGAINST THE LIGHT ENCLOSURE FROM ANY DIRECTION HAS NO DAMAGING EFFECT.
			7	IMMERSION UP TO 1M	WATER WON'T INFILTRATE EVEN WHEN LIGHT ENCLOSURE IS IMMERSED IN WATER UP TO 1M IN DEPTH. DURATION OF UPTO 30 MINUETS.
			8	IMMERSION BEYOND 1M	THE EQUIPMENT IS SUITABLE FOR CONTINUOUS IMMERSION IN WATER UNDER. CONDITIONS SPECIFIED BY THE MANUFACTURER.

**IP** 6 7

IP67. The item is protected from dust and capable of withstanding water immersion upto 1 meter for 30 minutes.

**ZONE 0** Covers the areas inside the bath or shower tray. If you decide to illuminate this area the fittings must be low voltage and must have a minimum rating of IP67 making them immersion proof.

**ZONE 1** Incorporates the area directly above the bath or shower tray to a height of 2.25m from the floor. A light with a minimum IP44 rating is required for this area. If the light uses a 240V supply, a 30ma RCD (residual current device) must be used to protect the circuit in this zone.

**ZONE 2** Covers the area 0.6M outside the bath's perimeter and to a height of 2.25M from the floor. As with Zone 1, a minimum IP44 rating is required for this area.

**ZONE 3** Outside zones cover areas which fall outside of zones 0,1 and 2 and are well away from any contact with water. No IP ratings are required for light fittings in this area.

Installation must be made in accordance with the current IEE wiring regulations and relevant building regulations. Calypso recommends that all electrical bathroom products should only be fitted by a suitably qualified Part P registered electrician.

# Spares & Pricing Breakdown

Every detail matters when it comes to your bathroom installation, which is why we provide a comprehensive breakdown of individual parts and their costs. Whether you're sourcing components for a new fit-out or simply replacing a part, our clear pricing breakdown makes it simple to identify and order exactly what you need.

# Plinths, Pelmet, Pilasters & Cornices

Plinths & Pelmet

Plinths & Pelmet

## Plinths, Pelmet & Pilasters

Plinths, pelmet, and pilasters add decorative detail and a refined finish. Pelmet finish wall-mounted cabinets, concealing fixtures or lighting, while pilasters are decorative vertical panels that frame units, adding symmetry and a classic touch.

		Unit Code	Bowland	Brecon	Cheviot	Chiltern	Dartmoor	Kentmere	Pentland	Selter	Solid Oak

## Cornice

A cornice is a decorative trim fixed along the top edge of wall units or cabinets. It adds a refined, classic finish while concealing gaps or uneven edges between the furniture and ceiling, enhancing the overall design.

Cornice

		Unit Code	Bowland	Brecon	Cheviot	Chiltern	Dartmoor	Kentmere	Pentland	Selter	Solid Oak
<b>Cornice</b>	1500w x 64d x 79h	6045**						£160	£160		
<b>Cornice</b>	2500w x 64d x 79h	6046**						£215	£215		
<b>Cornice</b>	1500w x 43d x 37h	3012**									£110
<b>Cornice</b>	3000w x 43d x 37h	3014**									£195

# Calypso Essential Information

## Product Specifications

**Door Finishes and Carcass Colours** All our door finishes are supplied by default with the complementary carcass colour indicated on the inside front cover of this brochure. If you require a different combination of fascia and carcass finish, you must specify each separately using individual product codes (shown within the 'Breakdown' section). The relevant finish codes need to be added to each product code when ordering. For exact colour matching, please request a sample by calling 01432 367 367.

**Carcasses** All carcasses and fascias are pre-drilled and marked for fittings, with fully adjustable all-steel soft-close hinges on doors and soft-close drawer runners featuring four-way fascia adjustment. Carcasses are supplied with hinges, wall-fix brackets, and fittings; base units include adjustable legs and plinth fittings.

Please note that all plinths, end panels and handles must be ordered separately. The unit dimensions shown are overall installed measurements including fascias and plinths. 661mm carcasses are supplied with 150mm legs and 561mm carcasses come with 250mm legs.

You can also choose between three finished base unit depths—218mm, 303mm, and 443mm. All carcasses are made from 18mm MFC and finished with PVC edging.

**Doors, Plinths and End Panels** All doors, plinths, and end panels are constructed with an 18mm MDF furniture-grade core, ensuring durability and a high-quality finish. There are three available options to choose from: vinyl wrap, painted, and cut and edged. To maintain the warranty, any cut edges must be properly sealed.

For those looking for a natural wood option, the solid oak door features a 70x20mm solid oak frame with an oak-veneered centre panel. As with all natural materials, variations in shade and grain should be expected, adding to the unique character of each piece.

**Laminate Worktops** Laminate worktops are formed using a particle board core with a decorative laminate surface and balancer on the underside. They are offered in options of square edged and postformed designs and are pre-sealed on all edges. Additional edging strip can be purchased to finish any cut edges.

**Decor End Panels** When planning, remember to allow for décor end panels on any exposed end-of-run base or wall unit carcass, adding 18mm for each end panel required.

Plinths Our 250mm plinth can also be used as a flyover shelf for additional design features.

**Assembly and Drilling** All carcasses are supplied fully assembled, with doors and fascia panels packed separately for fitting after installation to help avoid damage. Door and drawer fronts are supplied undrilled for handles, giving you maximum flexibility in handle choice.

**Slimline Basin Units** Slimline basin units require reduced-depth semi-recessed basins. Calypso units are designed at a height that allows good access underneath to run soil pipes and water feeds, with a choice of 150mm or 250mm plinths.

**Soil Pipe Access** Due to space restrictions in slimline units, the rear legs should be removed to run a soil pipe through. Rigidity is maintained by the front legs and wall fixings.

**Concealed WC Cisterns** All our concealed WC cisterns allow front-access servicing. If you use a different manufacturer's cistern, please check service-access requirements.

**Dimensional Tolerance** Because of materials and production processes, dimensions may vary within a tolerance of ±2mm on furniture, ±3mm on cast basins, and ±5mm on ceramic.

## Returns Policy

**Reporting Damages or Unwanted Items** Any damaged or unwanted items must be reported within 7 days and made available for collection within 28 days.

**Picking or Delivery Errors & Manufacturing Defects** These must also be reported within 7 days and made available for collection within 28 days.

**Unwanted (Good-Faith) Items** Items ordered and delivered in good faith but no longer required will incur a 25% handling and re-stocking charge. Non-required items can only be accepted for return if they are returned in their original packaging, have not been fitted in any way (this includes having legs fitted to carcasses) and are in a resaleable condition.

**Credit Approval** Credit will be given once goods are received, inspected, and signed off. All goods under this policy should be returned to the retailer from whom they were purchased.

**Credit Refusal** If goods fail inspection, a credit refusal number is assigned and a written reason is provided by email. Goods will be held for 7 days before disposal. Any query regarding refusal must be logged within a 7-day period.

## Taking Care of Your Calypso Products

**Ventilation and Moisture Control** Calypso bathroom furniture is designed for use in domestic environments, making good ventilation essential to prevent damage from excessive moisture—whether on surfaces or in the air. A suitable extractor fan is strongly recommended to avoid condensation and its associated risks. Please note that Calypso timber-based fitted furniture should never be installed in wetrooms.

**Sealing and Spills** Any cut or exposed panel edges, and any floor or wall abutments with furniture or sanitaryware, must be sealed with a waterproof sealant such as silicone. Wipe clean and mop dry all water spills immediately.

**Cleaning Products** Never use chemical or abrasive cleaners, bleach, or furniture polishes on bathroom furniture. Clean only with a soft damp cloth and mild soap solution.

**Solid Oak** An occasional application of wax-based furniture polish will maintain its finish. Do not use household cleaners or abrasive powders on oak. Remove spills immediately with a soft damp cloth and mild detergent; excessive moisture will darken the oak surface.

**Ceramic Sanitaryware** Clean with a damp cloth and warm soapy water. Rinse with clean water and polish with a soft cloth. Avoid abrasive solvents, acid, or ammonia.

**Cast Basins** Calypso cast basins are manufactured from a mineral powder/polyester resin, protected by a gelcoat of at least 0.5mm thickness. Clean with a normal liquid detergent (no abrasives) and buff with a quality polish to keep tops in pristine condition.

**Brassware** Clean with a damp cloth, rinse, and polish with a dry cloth. Avoid cleaners containing abrasive solvents, acid, or ammonia.

## Disclaimers and Terms

All stocked products are usually dispatched within 72 hours of ordering. It is important when ordering and booking installations that sufficient time is allowed between product delivery and installation. This allows for inspection of goods and, if necessary, re-delivery of any rejected or damaged items.

All orders are subject to our standard terms and conditions of sale, which can be found at [www.calypsobathrooms.co.uk/terms](http://www.calypsobathrooms.co.uk/terms). A hard copy is available on request, call 01432 367 367 or email [sales@woodstockco.com](mailto:sales@woodstockco.com).

Due to continuous product improvements, we reserve the right to change any product specification without prior notice.

The text, images, and layout of this catalogue are protected by copyright and other intellectual property rights.

All imagery within this brochure is, where possible, a true representation of our products. However, some brochure images are CAD-generated and may not precisely reflect each unit. If in doubt, please ask for clarification before ordering.

Some colours and finishes printed in this brochure may vary due to print and screen variations. A free sample service is available (call 01432 367 367) if you are unsure about a product's finish. Colours may vary under artificial light.

Our website should be used as a reference for the most up-to-date products and specifications.

Prices in this catalogue include VAT at 20%.
